## Wait list and Vacancies

Most of our rentals are by the week and are reserved a year in advance. We maintain a waiting list and those people are called before we publicize a vacancy on our web site and Facebook. The vacancy list on our web site is kept current, and you can subscribe on that page to email updates of changes.

Partial week rentals are available within 10 days of the date, and we call the waiting list before publicizing them. If you want a partial week and are flexible we should be able to accommodate you.
